"As a person coming to interior design as a second career, winning this scholarship is quite an affirmation, a signal that I made the right choice to take that leap and push the boundaries of what I can design. I am humbled to be acknowledged by this community."

-Delaney O'Brien
NEWH Leadership Scholarship Recipient

"NEWH has offered me resources and opportunities to build and expand professional networks across the nation. I learned about the current trends of hospitality designs from industry experts by volunteering at the HOSPY Gala in Las Vegas and attending the Women Leaders in Hospitality Breakfast and Panel session in New York City. Obtaining this scholarship has helped settle my financial concerns and allowed me to focus on my academic studies. It has been a great honor to be the recipient of the NEWH scholarship."
