

What's my Role and NEWH Sustainable Hospitality Chair?

Assist other disciplines within the chapter to ensure activities planned are executed in the most sustainable manner as possible - see Green Meeting Tips, available on the website

- Assist the Programming Director in by adding a sustainable component to programming and education events
- Assist the Community Service Director in implementing a sustainable driven event (beach or park clean up, electronic recycle day, SCRAPPS collection program, etc.)
- Communicate sustainability to your members through events or by creating a monthly green tip or a sustainable Newsletter
- Promote and educate members, students, etc. about NEWH sustainable initiatives:

NEWH Green Voice Conversations:

Green Voice is NEWH's fresh approach to sustainable education, where you can find pioneering solutions to the world's most challenging topics, covering concepts from social change to environmental impact and innovation. NEWH is committed to moving the hospitality industry forward toward a truly sustainable future and Green Voice is the channel to bring sustainable content through various venues including national tradeshow, webinars and publications.

NEWH Green Voice Design Competition:

Annual sustainable design competition scholarship. Winning students receive paid travel/airfare to the awards event at HD Expo in Las Vegas, Nevada. Promote to students, members, colleges.

Get involved!

- Engage with other sustainability oriented organizations in your area (USGBC, Greenbuild, etc.)
- Invite those individuals to your local chapter sustainable events, attend their events or plan a joint event
