# Continuing Education Program

## Greenguard U.S. Indoor Air Quality by Design

Course: ULEIAQ

Credit: AIA (1 LU) Credit: GBCI (1 CE) Credit: IDCEC (0.1 LU)

UL Environment helps support the growth and development of sustainable products, services, and organizations in the global marketplace through standards development, educational services, and independent third party assessment and certification.

Program Credits: The design/specifying community is educated through a one-hour continuing education program entitled “Healthy Indoor Air Quality By Design”. The program qualifies as 1 Sustainable Design (SD) and Health, Safety & Welfare (HSW LU) for AIA continuing education, 0.1 CEU for IDCEC continuing education (ASID/IIDA) and is accredited by the GBCI for one hour of continuing education under the GBCI Credentialing Maintenance Program.
