## From our Chairperson

**A season of gratitude –**  
This is the time of year when we typically take a pause to acknowledge our blessings and remind ourselves of what we have to be grateful for.

We share a fun and food-filled holiday with family and friends to mark the occasion, but we also have plenty to be thankful for in our design community. 2022 has seen us come out of a period of isolation and rejoin colleagues face to face for collaboration, a ramp up in projects, and increased social gatherings.

Our time apart has made us grateful for those who have stayed committed to continuing to improve our industry across the board.

Our chapter is therefore especially grateful to all of you for continuing to be a part of the NEWH OC family - either through sponsorships, attendance at events, or supporting aspiring students of the hospitality industry.

As we begin the wind down of the year, we want to wish each of you a happy and healthy holiday season. Cheers!

*Sonya Miles*

# Hotel Tour

CONNECTIONS & COMMITMENTS ~ That was the running theme of our September event at the Marriott Veia Hotel Tour. This hotel is what sophistication at play looks like. An exquisitely designed, chic sanctuary created for relaxing and mingling. We connected with new friends and were reacquainted with old ones. Commitments were made, because we all love and believe in NEWH and its mission.

## October's Multifamily Party & Panel

Thank you to all who made this evening perfect. Hosted at the Harbour showroom, our multifamily panel included Alison Keller as our moderator, Julie Stark with CDC, Felicia Hyde with H Hendy and Maryanne Hibner with Hibner Design. Each shared their experiences with multifamily design and gave reviews of their projects. We were also thrilled to announce to Felicia that **H. Hendy** is the **2023 NEWH-OC Top ID** winner. NEWH-OC is excited to celebrate with her and the Hendy team next year.

## *From our Scholarship & Student Relations Directors*

### A note from student outreach:

Recently Zach and I had the pleasure of visiting the Design Club at Saddleback Community College. We introduced NEWH to students and faculty. We shared details including the unique history of the organization, and the fabulous membership opportunities. The students were enthusiastic and enjoyed learning more about NEWH. Zach and I shared our personal experiences as well, and encouraged students to attend our upcoming events.

The design community offers a level of camaraderie that is phenomenal and fulfilling. Zach and I will happily continue our efforts to connect with students in our region and encourage their involvement with NEWH.

thank you!
