We had a truly enjoyable celebratory dinner for our Scholarship Winners on May 19th at The Curtis Club, a farm-to-table bistro with fantastic food and amazing craft-cocktails at Curtis and 22nd in downtown Denver.

In attendance were our 3 amazing Scholarship Winners, Michael Bent, Rene Hosman and Samantha Wilson, along with several NEWH Board members, including of course, Narisara Sarobhas, our remarkable Scholarship Chairwoman, who presented the winners with certificates and flowers!

Discussion was lively, and centered on the winners' short and long-term plans, as well as how NEWH has helped each of us with our own hospitality careers. Of course, we board members took every opportunity to encourage the winners to be involved with NEWH, wherever they finally wind up!

We're now looking forward eagerly to presenting Michael, Rene and Samantha to our Denver NEWH membership at large at an upcoming event!

## EVENT RECAP

Rocky Mountain NEWH teamed up with Newborns In Need and The Denver Health Foundation for a special Sundowner-Community Service Event on April 30th. For two weeks prior, the Denver design community brought in much needed supplies for low income families with new babies born at Denver Health Medical Center. On April 30th, people brought donations to Wurstküche in Iodo for a Sundowner event. We were able to collect many great items and thank the community for chipping in for the families.

Wurstküche was the perfect place to host the Sundowner. With large doors that open right up to Broadway, NEWH members enjoyed a beautiful spring evening along with their beer, exotic sausages, and Belgian fries. The Denver location is just one of three and the only location in Colorado. The eatery presenting a twist on traditional German fare first opened in LA, California. NEWH members were fortunate enough to chat with owners Joseph Pitruzzelli and Tyler Wilson.
