SUMMARY

An entry-level interior designer with a passion for sustainable and human-centered design. Possessing strong problem-solving, organization, and time management skills, I excel in tackling design challenges with professionalism, ethics, and adaptability.

EXPERIENCE

Interior Design Intern

Augusta Hoffman Studio

JANUARY - MAY 2024, New York, NY

- Contacted vendors to inquire about prices and request and return material samples.
- Maintained and updated the sample library.
- Prepared client's presentation slides and project binders.
- Drew furniture blocks on AutoCAD.

Interior Design Intern

Lindsey Walsh Interior Design

SEPTEMBER - DECEMBER 2023, REMOTE

- Sourced and procured furniture, fabric, wall coverings, lighting, area rugs, and more.
- Contacted showrooms to request material samples.
- Assisted with iteration and drafting of furniture plans in AutoCAD.

Social Media Management Intern

Interiors By Natasha

MAY - SEPTEMBER 2023, REMOTE

- Researched, created, and executed a social media strategy to build a more cohesive and impactful image of the studio and to gain more presence online.
- Created audiovisual content on Adobe Premiere to showcase the skills, services, and works of the designer.
- Designed graphic elements to bring more visual cohesion across the social media of the studio.

Artist Studio Assistant

S319

DECEMBER 2020 - AUGUST 2021, BROOKLYN, NY

- Prepared and trimmed vinyl stencils and masks to install door numbers, signs, and directories.
- Created decorative objects and murals using masking tape, vinyl stencils, spray paint, and acrylic paint.

INDEPENDENT PROJECTS

Hicks St Project

MARCH - APRIL 2022, BROOKLYN, NY

- Created moodboards and sketches to communicate concepts and ideas for the design of a children's room.
- Selected furniture, decorative objects, materials, and finishes to ornate a bedroom for a boy and a girl's siblings.
- Conducted site survey and research of terms, styles, and retail products.

HoneyPot Daycare Project

SEPTEMBER 2021, QUEENS, NY

- Use of VOC-free paints, for the safety of children, to create geometric murals that make the classrooms more playful and to activate the senses of the children.
- Created a design that represents the identity of the school.
- Selected color palettes and finishes.
